

# THE TEN COMMANDMENTS

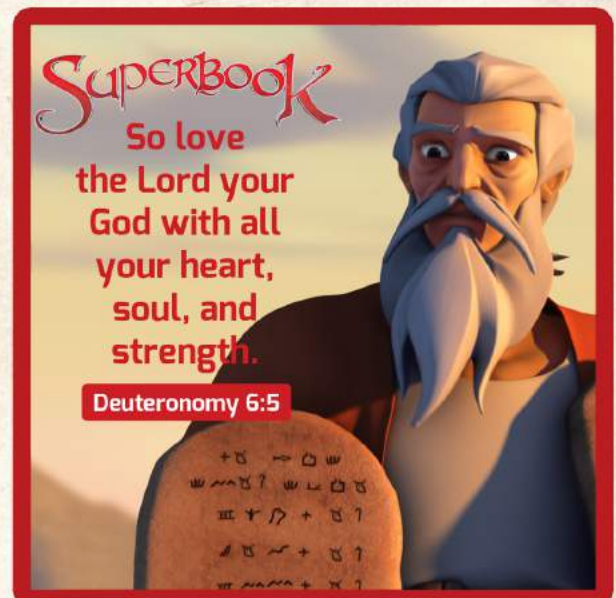

## SuperTruth

"I will love God."

## SuperVerse

Memorize this together as a family this week!

# Activity : THAT'S A RAP, CREATE A SONG FROM THE 10 COMMANDMENTS.

## Play

Have some fun together as a family creating a rap or song similar to the rap songs of Gizmo and Ranger Granger that we see in the episode “Jacob and Esau”. The rap must consist of lyrics about the 10 Commandments, about loving God, or about Moses or the Israelites.

Bonus: Make a video as a family performing the rap/song that you created and share it on social media! Do tag us @superbookborneo on FB or IG!

## Sample:

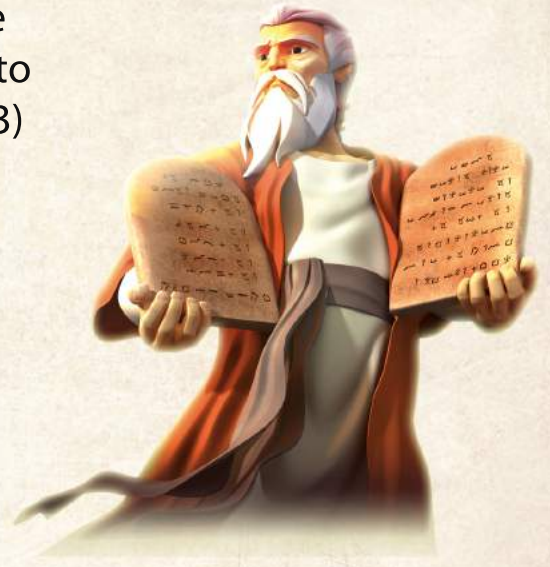

God said: DO show Me much love.  
Don't—put any idols above Me.  
DO—speak My name with respect.  
The Sabbath is a day I made to be kept.

## Discussion

1. Name some rules we have in our family.  
Can you think of the reasons we have those rules? For example, why aren't we allowed to play with matches or knives? (Jeremiah 7:23)
2. God had just freed the Israelites from being slaves in Egypt—so why did they get angry and worried?
3. Can you list some things that our family needs every day? (Philippians 4:19)

## Pray

*Lord, I thank You for promising to provide everything I need. Please help me not worry about anything, but to trust You more and more each day. Amen.*
